

BETTER WAY PRODUCTS

The Leader in Fiberglass Accessories

Standard Features For Enhanced Quality and Customer Satisfaction

Strong, sandwich-core bench-like lid construction/design for unsurpassed strength.

Stainless steel cable stays are standard on all models.

Lockable, stainless steel latches secured with oversized, rustproof rivets. Latch will accommodate up to $\frac{5}{16}$ " shackle.

Heavy-duty white fiberglass construction with an average $\frac{3}{16}$ " thickness.

UV gelcoat provides long-lasting beauty and protection.

Gas cylinder brackets are preinstalled on all hinged numerical model numbers 426 and above.

Attractive off-white interior finish.

Stainless steel piano hinges are attached with adhesive and oversized, rustproof rivets.

28 standard models; custom models are also available.

Better Way Products provides prompt, courteous service and delivery to its dealer network. Drop shipments are also available. Many options are offered, including colors and custom logos. Special orders are gladly accepted. Line art is available upon request.

Specifications subject to change without notice.
Some products may be shown with optional equipment.
Dimensions provided in this brochure are exterior and represent the maximum size.
